

Melbourne University Mathematics and Statistics Society  
Presents:

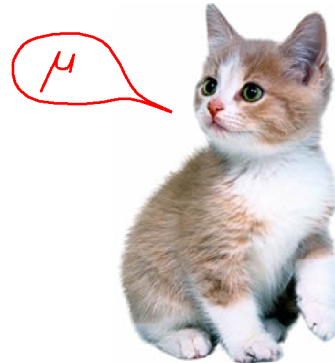

## University Maths Olympics

*Date:* **Wednesday, 14 September**

*Time:* **1-2:15pm**

*Venue:* **Theatre A,  
Richard Berry Building**

The UMO is a fun competition that combines fast-paced running, lightning-quick problem solving, and a bit of the ol' hip-'n'-shoulder into one awesome package. Put together a team of five and prepare to engage both mind and body in a cataclysmic struggle for victory in the gladiatorial arena that is Theatre A. No mathematical knowledge beyond high school level is required!

Entry is FREE!
